

FAITH FOR TODAY

UNITY SAN DIEGO

FROM THE MINISTER'S HEART

REV. KARLA LIGHTNER ❤️

Dear Unity Family,

Our mantra for this year is "Love more in 2024" and we have been doing a fabulous job. This summer, I invite you to go deeper and join us in manifesting more in 2024.

Ten years ago, in 2014, Rev. Blair and I taught E-Squared (E2) as a program for the entire church. This summer, Rev. Blair will kick off our E2 Sunday summer program on July 7th as our entire church including our Spanish-speaking Ministry will conduct spiritual experiments that prove that the Universe brings to us that which we focus upon.

Each week, for nine weeks, we will use Spirituality and Quantum Physics to prove:

- 1. There is an invisible energy force or field of infinite possibilities.**
- 2. You impact the field and draw from it according to your beliefs and expectations.**
- 3. You, too, are a field of energy.**
- 4. Whatever you focus on expands.**
- 5. Your connection to the field provides accurate and unlimited guidance.**
- 6. Your thoughts and consciousness impact matter.**
- 7. Your thoughts and consciousness provide the scaffolding for your physical body.**
- 8. You are connected to everything and everyone else in the universe.**
- 9. The universe is limitless, abundant, and strangely accommodating.**

I believe that there is nothing better than PROVING that what we teach in Unity is true.

Please join us each Sunday from July 7th- September 1st , as we experiment, have fun, and MANIFEST!

Bountiful Blessings!

Karla

A LETTER FROM OUR BOARD MEMBER

Hello Unity Family,

EDUARDO CERVANTES

In this edition of Faith for Today I would like to share about our Spanish-Speaking Ministry.

The Spanish-Speaking Ministry at Unity San Diego has been a blessing in our community especially for our Spanish-speaking members.

We began this ministry in January of 2023, studying “The Five Principles” each week on zoom. Since then, we have studied “Spiritual Economics”, “Talks on Truth”, the “4T Prosperity Program”, the “Handbook of Positive Prayer” and “The Four Agreements”. We have also held online fellowship events in Spanish, along with outreach programs that help connect Spanish-speaking families with essential resources in the community. It is a wonderful feeling to be able to provide spiritual support and help those of us who speak Spanish grow spiritually.

I would like to thank Belinda Pena-Pitts and E'luna Padilla for facilitating this vibrant and dynamic ministry with me. It has truly enriched our lives and contributed to the church's overall diversity and unity.

I look forward to the Spanish-Speaking Ministry becoming a larger presence at Unity San Diego in the months ahead.

Many Blessings!

Eduardo Cervantes

SERIE DE DHARLAS DE VERANO

El miércoles 10 de julio a las 6 pm (PDT) en zoom

E-Squared es un manual de laboratorio con experimentos sencillos que demuestran que la realidad es maleable y está moldeada por nuestra mente. Cada domingo, combinaremos los Principios de Unity, las enseñanzas metafísicas y la ciencia de E-Squared para demostrar que el Universo aporta aquello en lo que nos enfocamos. Durante nueve semanas, realizaremos experimentos de 48 horas para demostrar que los principios espirituales son tan confiables como la gravedad. Los participantes completarán informes de laboratorio durante la semana y compartirán los resultados el domingo. Únase a Unity San Diego y E-Squared para demostrar que estas enseñanzas son ciertas.

MUSIC NEWS - ALOHA SUNDAY

AUGUST 25TH
POTLUCK AND CONCERT

Aloha Sunday on **August 25th** will be an Extra-special day of celebration because there will be a ***Hawaiian-themed potluck*** after the service, followed by a ***Music Team Concert*** in the sanctuary at 12:30!!!

It will be a more intimate and interactive concert, similar to our Christmas program, with members introducing their song and why it was chosen (because we individually get to pick songs we've most enjoyed singing or other members of the team most enjoyed by/with us).

We are SO looking forward to sharing an early afternoon of music with you and do hope you'll plan to attend and invite family and friends as well. The 90-minute concert will start at 12:30, allowing you plenty of time to enjoy fellowship and potluck food, or to grab a quick bite and go pick up friends or family to bring back.

This will be a fundraiser for the Music Department, with free admission for one and all and an offering basket to be passed for donations.

SMALL GROUP LEADERS

**LOOKING FOR SMALL GROUP LEADERS: TEACH UNITY 101
"THE FIVE PRINCIPLES"- BY ELLEN DEBENPORT**

We are looking for passionate, committed members who feel called to share Unity's teachings with others. If you have a heart for service and a desire to make a positive impact, we invite you to become a small group leader for our upcoming "Unity 101" – The Five Principles" course that begins in September.

Why Teach Unity 101?

Leading a small group in Unity 101 is a wonderful way to:

- Deepen Your Own Understanding: Teaching these principles will enhance your personal spiritual journey as you explore and discuss their meanings and applications with others.
- Foster Community: Small groups create a supportive environment where members can share experiences, insights, and encouragement. As a leader, you will play a key role in building these meaningful connections.
- Empower Others: By guiding others through Unity's foundational teachings, you help them discover their divine potential and live more fulfilling lives.
- Grow Together: As we collectively study and practice the Five Principles, our entire community benefits from shared growth and spiritual development.

**Training and resources will be provided to ensure you feel confident and prepared to lead your group.
For more information, please contact Rev. Karla at 619-218-6135 or email her at revkarlalightner@gmail.com.**

E-Squared is a lab manual with simple experiments proving that reality is malleable and shaped by our minds. Each Sunday, we will combine Unity Principles, metaphysical teachings, and E-Squared's science to demonstrate that the Universe brings what we focus on.

Over nine weeks, we'll conduct 48-hour experiments to show that spiritual principles are as reliable as gravity. Participants will fill out lab reports during the week and share results on Sunday. Join Unity San Diego and E-Squared in proving these teachings true.
