

Membership Covenant

I understand and align with the basic teachings of Unity.

I understand that Unity Church is based on the life and teachings of Jesus Christ.

I make my spiritual unfoldment and relationship with God a priority in my life.

I do my part to support the church's mission to support people's spirituality and challenge them to **grow** in awareness,

be **love** in action and **serve** our community; I do my part to support the church's vision to empower positive spiritual change in our world.

I join my fellow members and congregants in participating in the creation of a loving, accepting atmosphere.

I extend myself with love and warmth to newcomers, to my church home and to those people attending whom I do not know.

I include the church in my daily prayer life.

I include the church in my financial planning, establishing systematic giving extended gratefully, joyfully and lovingly.

I serve in sacred service as a volunteer thereby demonstrating the value of selfless service to others.

I speak with constructive purpose about the church and my fellow congregants.

If I experience personal upset with the church or a congregant, I seek guidance from Spirit through prayer and meditation, and then I speak with and resolve any upset with the persons involved.

I recognize that my presence and participation at church services and activities is a contribution and gift that enhances the experience for all.

As a member, I make attendance a priority. Together with my fellow members and congregants, I commit to co-creating with God the ongoing dynamic life of Unity San Diego.

I recognize that we help the church to expand its programs and services. As our community thrives, it blesses and serves thousands of others like myself.

Through membership at Unity San Diego, I honor the Spirit in me and the Spirit at work through our congregation.
